Extracting a tooth from a cripple
From a M.S. of the XV Century

The practicing of dentistry has progressed from a marketplace skill, as it was practiced from the second millenium B.C. through medieval times, to a scientific process implemented by professionals who integrate medical training and biomechanical skills in order to provide the best dental health care the world has ever known.

In medieval times dentistry was practiced by guilds of barber-surgeons, tooth drawers, and charlatans whose dental education was usually minimal or nonexistent. In 1728 the Father of Modern Dentistry, Pierre Fouchard, published *Le Chirurgien Dentiste* which served as a catalyst to further the advancement of dentistry toward its establishment and recognition as a profession.

Horace H. Hayden

Chapin A. Harris

In 1840 Horace Hayden, Chapin Harris, H. Willis Baxley, and Thomas Bond, Jr., laid the foundation for dentistry to continue as a recognized profession with the establishment of the first dental school . . .

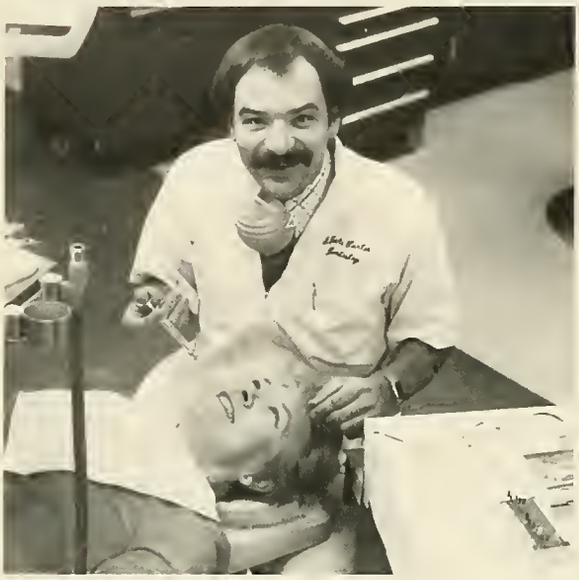
This should pay for the Synapse tonight.

What dress code?

But I sent up a partial.

Which way is out?

Another month's supply.



She really thinks it won't hurt!

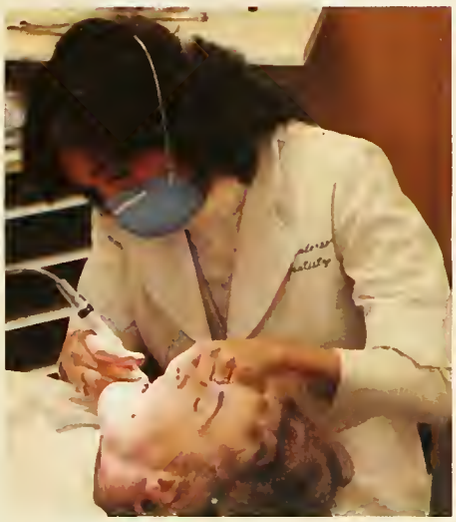
You gotta play to win . . .

Wednesday afternoon clinic . . .

It's not my fault!

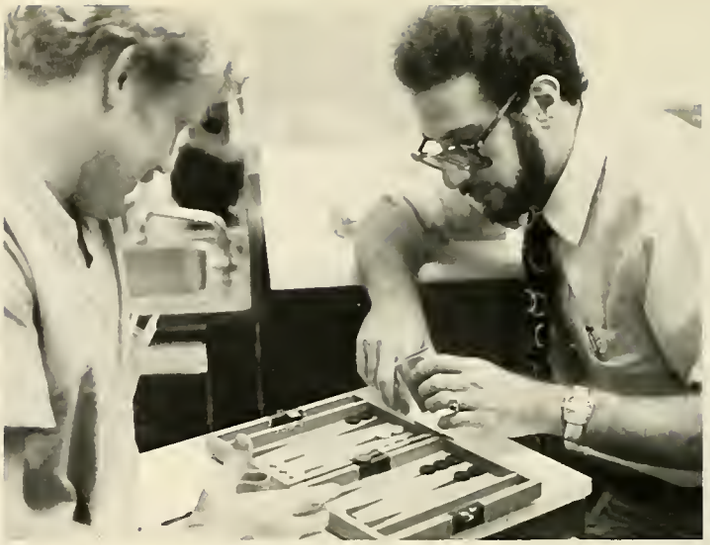
What is that red spot?

I can't ask him — he's on the phone.

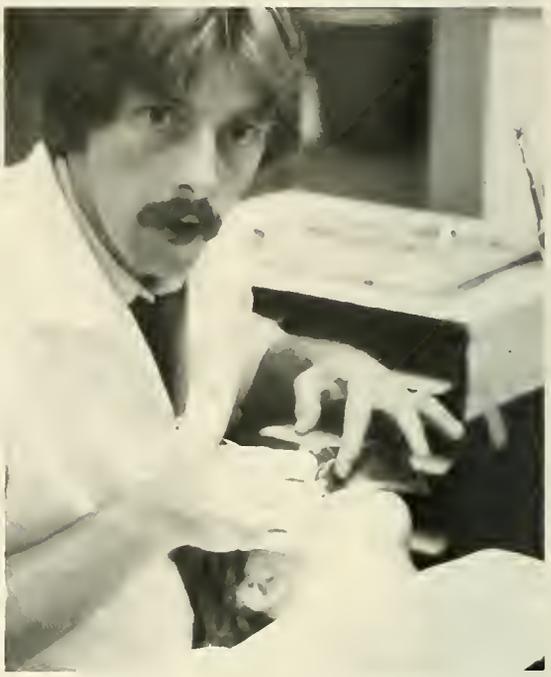


A little behind in lecture.

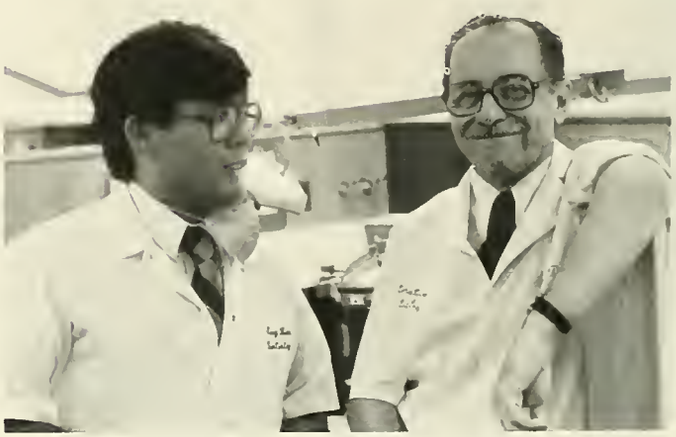
I can't see any better with these.



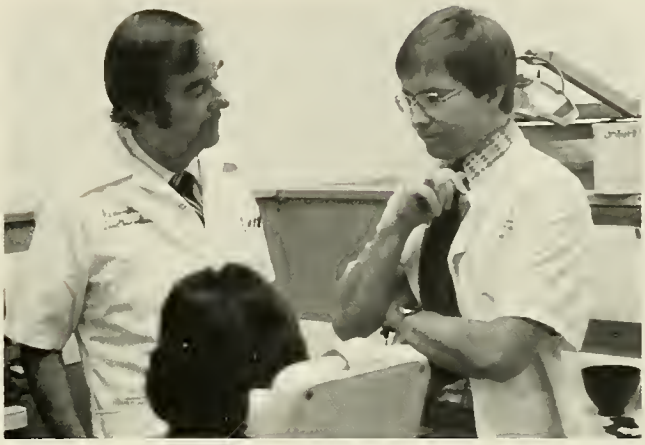
Emma . . . sixty-six . . .



Ohmygod!!



He thinks I'll check it off.



Well I don't know . . .

War games are more fun . . .

IT MATTERS NOT HOW
STRAIT THE GATE,
HOW CHARGED WITH
PUNISHMENTS THE
SCROLL,
I AM THE MASTER OF
MY FATE:
I AM THE CAPTAIN OF
MY SOUL.

WILLIAM ERNEST
HENLEY

In the years we have been at this institution we have had the opportunity to study with many instructors. The most outstanding among them in our opinion is Dr. Ronald F. Gravitz. The quality of his instruction, the extent of his knowledge and skills and most importantly his rapport with students and patients alike has endeared him in our hearts. With his departure from this University we feel that the student body is losing a most valuable asset. We wish him happiness, success, and prosperity.

ACCELERATED PROFESSIONAL TRAINING CLASS OF 1981

CLASS OFFICERS:
President: Dick Engroff
Vice President: Marjorie Maxwell

JAMES R. SWANCAR

The APT Class of 1981 would like to express our most sincere thanks to Dr. James Swancar. His dedication, friendly manner, and fatherly concern have greatly aided us in our efforts to become skilled members of our chosen profession. To this "fairly spry, slightly near-sighted Oral Pathologist" we would like to say:
"Thank you for listening to and dealing with our problems, being flexible and fair, helping us to laugh when times were difficult and, most of all, providing the educational opportunity we were all so fortunate to have. We're proud and delighted to have been associated with you these past three years. May you live as long as you want and never want as long as you live."

Your Gang

ROSEMARY MEEK

At this year's end we APT students are faced with a true loss in the clinic. Rosemary has decided that the time has come for her to retire. Rosemary has meant a lot to all of us. Not only did she maintain the best stocked clinic in the School for us, but she also made available all the latest information coming down the grapevine. Seriously, we have benefited from the services of one who was truly interested in each student and who did all she could to help us through our clinical experience. Her cookies and snacks also added to the warm atmosphere of our lab, not to mention the Christmas parties.

Rosemary, we will miss you very much; and we want to wish you the best retirement ever. Thank you for your untiring efforts.

Gamma Pi Delta Prosthodontic Honor Society was chartered in 1965 as an honorary student organization with scholarship and interest in the field of prosthetic dentistry as a basis for admission. As a result of the first two years of academic achievements in Fixed and Removable Prosthodontics, Juniors and Seniors are eligible for membership in the Society.

Gamma Pi Delta's objective is the advancement of prosthetic dentistry through lectures, table clinics, and other academic activities, with the purpose of increasing knowledge of and stimulating the creative interests of the members and the dental profession.

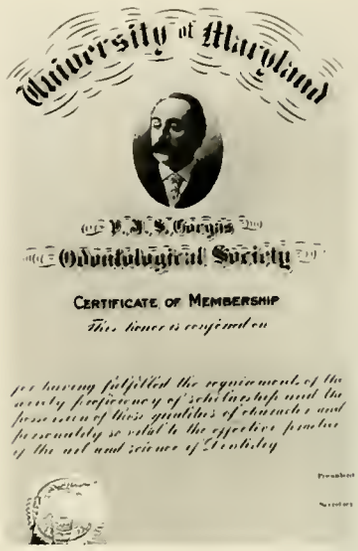
GORGAS ODONTOLOGICAL SOCIETY



University of Maryland
F. J. S. Gorgas
Odontological Society
CERTIFICATE OF MEMBERSHIP

The Gorgas Odontological Society was organized in 1915 as a student organization and later it was changed to an honorary dental student society with scholarship as a basis for admission. The Society is named after Dr. Ferdinand J. Gorgas, a pioneer in dental education and a great contributor to dental literature, and it was with the idea of perpetuating his name that the society adopted it.

The Society makes for its objective the furtherance of dental knowledge by discussion and lectures. Gorgas is comprised of junior and senior members whose scholastic endeavors have placed them in at least the top third of their class.

The members of the Zeta Mu chapter of the Alpha Omega Dental Fraternity plan a calendar of events that reflects the basic tenets of the fraternity. The fraternal aspect of Alpha Omega is demonstrated by the Big Brother Alumni-Undergraduate Program which features a Big Brother dinner meeting. The Baltimore Alumni and Zeta Mu chapters hold several dinner meetings together where guest speakers lecture on topics related to dentistry. Rush week 1980 was responsible for a large increase in membership. Rush week events included a pizza lunch, a wine and cheese party and a bagel brunch at Baltimore's new showplace — Harborplace. Many seminars are held by Seniors to introduce Freshmen and Sophomores to Basic Dental Science and to help Juniors with clinic. Social events included a summer picnic, the annual Welcome Back Crab Feast, Clippers Hockey Night, an evening at Ski Liberty, and a winter pot luck dinner. The highlight of the social calendar was the annual Spring Away Weekend which was held at a mountain resort in the Shenendoah Valley of Virginia.

This year Zeta Mu received the international first place award for chapter efficiency at the international convention in Toronto. In addition, Zeta Mu was honored by the fact that its president, Charles Fine, served as the international undergraduate representative during 1980 and in this capacity, led the undergraduate convention.

With a diversity of activities, Psi-Omegans once again had an outstanding year at the Dental School. From the Kennedy Center to white-water rafting; from the Constellation Room at the World Trade Center to innertubing the Widowmaker, Psi-Omegans were able to participate in sophisticated and exciting events. The Seniors who will be leaving will miss the camaraderie shown between all Psi-O brothers and sisters; and will cherish the friendships made and good times shared with members of a proud legacy.

The Russell Gigliotti Award

This award is given annually to the faculty member who best demonstrates the same dedication for the advancement of the art to dentistry and renders invaluable service to the dental student as exemplified by Russell Gigliotti. The 1980 recipient of the award was Maurice Rodgers.

WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES

In order to be selected as a candidate for membership in Who's Who Among Students in American Colleges and Universities, a student must be an outstanding leader, scholar, citizen, and participant in both educational and extracurricular activities.

To be chosen for this honor, a student is first recommended by the University and is then voted on by the national organization.

IN MEMORIAM

DANIEL S. KIDDON

November 24, 1980

Dan left our lives in the same manner he had lived among us, quietly and keeping his own counsel. His reserve, however, was softened by sincere friendliness and compassion. He was an outstanding achiever and a brilliant and dedicated student.

His life was gentle, and the elements
So mix'd in him that Nature might stand up
And say to all the world "This was a man!"

Nobody ever looked at a beautiful smile one tooth at a time.

That's why the blend selector for Trubyte® Bioblend® Teeth looks like this.

When you select color for a Trubyte Bioblend restoration you see at a glance the combined effect of central, lateral and cuspid. And you can visualize the patient's smile in relation to eye color, hair color and complexion. *Harmony of color*...attainable the first time, time after time.

The payoff is the patient's smile of appreciation.

Dear Doctor:
Congratulations! Hope you have all possible success in your practice!
Having a good and ethical dental laboratory at your side can be a great asset to you. In fact, Co-operative has been doing just that since 1910 for more dentists than any other laboratory in this area.
Why not visit our facility and see first hand how a successful dental laboratory operates?
Better yet, a first case from you will dramatically prove our case.
Sincerely,
B. Gresham Kilmer

Full Service Dental Laboratory

Ever wonder why some of your patients never come back?

Your patients expect and deserve the best. Otherwise, they become another doctor's patient. So you cannot afford to demand anything less than the best from your dental laboratory.

Take a hard look at your present dental laboratory and the services they provide. Do they offer you all the services you need, or do you have to call different labs for different services because of limited capabilities? Do their production schedules meet your requirements? Are their prices outrageous? Can they handle your intricate and detailed prescriptions?

Aronovitch Dental Laboratories has the reputation for being the best...that's why we've become one of the biggest labs in the Baltimore/Washington area. We are a full service laboratory providing prosthetic and restorative services that cover the complete spectrum of general dentistry. From fabricating porcelain fused to gold, porcelain jackets, Cermalloy® crowns and bridges, removable partials and full dentures or "precision" removable partials... give your patients the best. Call Paul Resnick, Sales Manager in Baltimore, 764-1014 or in Washington and northern Virginia, call 452-1262 for our quick daily pick-up service.

We help you succeed in the business of dentistry.

Dentistry is an art. It's a profession. And it's a business. At Healthco, our goal is to help you succeed in the business of dentistry.

The Healthco dealers throughout the United States and Canada offer you our years of experience in all phases of starting and managing a successful, productive practice.

We do much more than deliver equipment and merchandise on time. We also deliver on service. Your personally-assigned Healthco sales consultant, backed by a full-service facility, keeps you informed on the latest products and techniques.

He helps you buy your supplies efficiently and economically—both the name brands and Healthco's own fine-quality brands. He helps you minimize lost chair-time by providing speedy repair service; and because he and his service department know your equipment and your office, they can often assist you by phone to make repairs yourself.

Your Healthco representative can set up an inventory control program to insure an adequate supply on hand of your basic consumables. He can design a Custom Acquisition Program that will guarantee prices on consumables and small equipment for a full year. And he can set up a Healthco Custom-Lease® to enable you to buy equipment in the most economical manner in terms of your tax bracket. Only a full-service organization can meet all your needs. Let Healthco help you succeed in the business of dentistry. You'll be glad you did.

Sagrog is a professional society for the contraindicated dental student. Members are dedicated to uphold the traditions of the Dental School in a nontraditional way. The stringent membership requirements include the possession of ten or more blue slips, placement on academic probation, and proof of having had less than 200 quality points by Christmas. Social activities included ash collecting with overnight camping on Mount Saint Helens and tubing through the Bermuda Triangle. The year was highlighted by our first annual blue slip bonfire. Note: An iatrogenic ribbon can be added to diplomas for an additional fee.
